

HELI

CP(Q)YD15-20C 3000-4000lbs (1.5-2.0t) H3C IC Cushion Tire Forklift

CP(Q)YD15-20C

Heli H3C Series Features ***Improved performance Superior quality***

Ergonomics

- Vibration isolators separate the operator compartment from the main frame and the engine/transmission which absorb the truck's vibration for increased operator comfort.
 - Engine performance and repositioned hydraulic pump offer quieter and smoother operation and less noise.
 - Improved hydraulic control functions also reduce noise and increase performance.
-

Operator Comfort - Visibility

- Operator compartment has been enhanced by creating more foot and leg room with plenty of head room under the overhead guard.
- Visibility has been improved with narrower mast channels and more open overhead guard.
Higher contrast LED display makes it easier to see in all lighting conditions.
- Comfortable suspension seat is standard with full adjustment for different operators.
Low, wide step and grab handle make for easy entry to operator's compartment.
Controls and park brake are within easy reach to reduce operator strain.

CP(Q)YD15-20C

Increased Productivity

- Smaller turning radius and hydraulic power steering makes for tighter turns and easier steering operation.
- Reliable powershift transmission relieves operator from constantly shifting transmission.
- H3C series hydraulic performance has been enhanced for maximum productivity.
- Ergonomically designed operator's compartment enhances operator productivity, as well as providing safety and comfort.

Improved Performance

- All aluminum radiator increases air flow and dissipates heat more efficiently
- Smaller steering wheel with fewer turns lock-to-lock for quicker turns 35% faster lifting speeds over previous generations
- Lifting cylinders are damped to reduce noise and provide smoother operation
- Heavy duty powertrain offers exceptional performance in all applications

Serviceability

- AHood opens to an 80 degree angle and floor board is removable for easier access to all important chassis components
- Electrical system, wiring, and hydraulic hoses are convenient and logically laid out with access from above and below
- All grease points are accessible, including cast steel axle
- Lubrication chart is located on front of operator compartment to highlight essential lubrication requirements

Safety

- All Heli forklifts for North America meet ANSI B56.1 Safety Standard for Powered Industrial Trucks as well as meeting requirements for CE approval
- All Heli forklifts come standard with Operator Presence System
- Optional rear grab handle and horn button allows operator to safely drive in reverse
- Strobes, Beacons or Blue Lights and Alarms are all available

Note: Capacities shown are reference only. They are computed with mast in vertical position based on 48 inch cube load configuration with center of gravity at true center of cube and standard forks. Longer forks and unusually wide loads can reduce capacity. Consult dealer for any questions about capacities.

Reliable special designed instrument

	Engine coolant temperature
	Fuel level
	Temperature of torque converter oil
	Pressure of torque converter oil
	LPG pressure
	Left turning
	Right turning
	Alarm of low fuel
	Hourmeter

	Charging indication
	Block of air cleaner
	Hand brake
	Seat switch
	Neutral indicator
	Safety belt switch
	Engine alarm
	Alarm of engine oil pressure

Standard configuration

Horn	Front combo lights	Speed-limiting valve
Three-spool control valve	Transmission oil filter	Lifting and tilting operation lever
3-stage full free lift mast	Rear combo lights	Tow pin
Power steering	Back-up alarm	Overhead guard
Semi-suspension seat	Overhead guard rain cover	Combined display
Load backrest	Standard forks	LPG Low Fuel Indicator
Rear view mirror	Integrated electric box	

Optional

Max. speed control system	Lifting OPS control system	LED headlights
LED Rotating Light	Torque converter oil temperature meter	No hand brake alarm
Dual Air Filter	Optional attachments	Rear grab handle with horn button
Hydraulic Fork Positioner	Rotating seat for LPG	
Rear work light	Swing Out/Drop-Down LPG Bracket
